

Daily Lesson Agenda: My America and My World

Today's lesson plan.

- **Geography Skills**

Explain the difference between a globe and a flat map.

- **Directions**

North, South, East, and West.

- **Discussion**

Talk together about the community we live in.

- **Songs**

Practice reciting "America" (My Country, 'Tis of Thee) and "America the Beautiful," together and independently.

- **Review & Assessment**

Give each student a blank sheet of paper. Have them draw a detailed picture of their hometown, labeling the directions (North, South, East, West) and the name of their country, city, suburb, or town.
